SIMBLY SOUTH – INDIAN CLUB NIGHT

CONCEPT: A mix of phrases from popular tamil songs and the classic literature Treasure Island (where Jim is the hero). The whole script is in the form of a rhyme / poem...to make the sentences short and more visual.

Kadhakelu Kadhakelu

The Koolest, Grooviest and Dubai's first South Indian Club Night
Simbly South kadhakelu!

Jim grew up in a land
Where cultures and nationalities
Lived in harmony hand in hand
There he met the Pirates of his Heart:
Techno Pop
Heavy Metal and rock
Jivey Jazz
Drum and Bass
Haunting House
Rave and RnB
Mollywood Melodies
Kollywood Koothu
Tollywood Thillalangady

From there Jim sailed to distant lands
In search of his fortune and his Treasure Island
In the south of India
He and his Pirates found
The Asian Underground

Hey Kuthu...Kuthu...Dapankuthu!
Where is the routu?
To the Magical Music Land
Where Jim and his Pirates
Can frolic and relax on its sands

It led him back to Dubai
The City of Mind Boggling Proportions
Where he had his Revelation

The Pirates and Asian Underground
Melded and Fused
Into the Dravidian Massive Bass
For the Dravidians of Dubai
The one music genre to rule them all

Thus was born SIMBLY SOUTH
The only one-of-its kind Club Night without a doubt
Launched on 5th April 2013
To a packed and Sold out night
Jim and his pirates had arrived at their Treasure Island!

Hey Kuthu...Kuthu...Dapankuthu!
